

Navigator Program Terms & Conditions

With the Navigator Program™ Co-pay Assistance program, eligible commercially insured patients may pay as little as \$0 per fill in out-of-pocket costs for their CUVRIOR® (trientine tetrahydrochloride) prescription.

Rules, Eligibility, and Important Information: Patients must be a resident of the US or US territory with a valid prescription from a US or US territory licensed physician. Patient must have a confirmed diagnosis of Wilson Disease (E83.01) or an insurance-approved medical exception (E83.xx) and have a valid prescription for CUVRIOR. There is an annual cap on the amount of assistance that patients can receive over a one-year period. This program is available only for prescriptions covered by commercial or private health insurance. This program is not applicable for prescriptions covered by any state or federal government-funded healthcare programs, such as Medicare (including Part D), Medicaid, TRICARE, and Veterans Administration. The patient understands that they must notify the Program and/or pharmacy immediately if they begin to receive pharmacy benefits under any such government-funded program and that their participation in this offer will be terminated. Void where use is prohibited by insurance provider. This offer is only valid in the United States and is not valid in any state where it is prohibited by law. Orphan reserves the right to rescind, revoke, or amend the Program at any time without notice.
